

## Superproject

BJHS is still looking for a few more plastic bottles (2L Pop bottles, not crushed, preferably clear but other colours are fine) for a school-wide project to be carried out at the end of June 2018.

Bottles can be dropped off in the school lobby in a dedicated bin or given to Mr. Bazot (if you have a bag of bottles).

We really need your help to make this project happen. Many thanks in advance.

## Regional Science Fair

At the Regional Science Fair held on March 29th, Bridgewater Junior High had a successful showing.

Renke Roy won a Divisional Award of Gold for his RC Laser Tag Project as well as Best Engineering Project. Stella Bowles won Best in Fair and a Peer Choice Award for her Intertidal Foraminifera and Organic Pollution in the LaHave Estuary project. Congratulations Vikings!

## Junior Girls Softball

The Vikings are fielding a new girls' softball program this year. The team has 16 players from Grades 7-9. Their first game in an eight-team Lunenburg-Queens league was scheduled for April 3rd.

## Celebration of School Sport

More than 40,000 students participate in school sports in Nova Scotia every year. On April 27th the Nova Scotia School Athletic Federation (NSSAF) held their annual "Celebration of School Sport" Luncheon at the Halifax Convention Centre to recognize the contributions of student-athletes from around the province. BJHS was proud to send Coach Steven Bishop and Grade 9 students Rachel Kini & Matthew

Mattew Taylor who consistently demonstrate respect for others and try their best in all endeavors. We are proud to call you Vikings!

"I loved the role model session! It helped me decide what career I want to do."  
- Past Participant

## Be Curious! Explore Careers with Impact

Have you ever wondered what an Engineer does and how their job can positively impact society or what high-earning & rewarding careers there are besides becoming a Medical doctor or Lawyer? Then this workshop is for you! Explore exciting careers from women who work in Science, Technology, Engineering, & Math careers.

**May 14, 2018**  
**6:30-8:00 pm**
