Alumni Weekend - April 2016 (Dennis Woodworth, Class of '88)

- Decided last year to do a basketball game on a Saturday night, well attended; good feedback from Alumni and greater community; lots of people came back to the community; they are doing this by decades of graduating classes
- Friday, April 22 - hockey
- Saturday, April 23 - basketball and volleyball
 - i. Raise money for extra-curricular activities for the school
 - ii. Celebrate the heritage of the school

Members of the organizing committee:

- Ken Anthony
- Natalie Bird
- Jeff DeWolfe
- Shawn Woodworth

- Julie Gow
- Blaine Seamone
- Booster Club - there is one that has been in the works for over a year
- Sports or activities - great alumni from this school
- Potential of an Alumni Bursary if enough money is raised during the weekend.
- Gym on Friday night for an hour or two and the gym all day Saturday
- We need a volunteer to work with the Alumni Group to oversee financial accounting of the Alumni Weekend Events. Suggestion that there might be someone who is an alumnus to be the go-between to oversee the financial piece between the organizers and the school.

New Business

1. School Review Update

- PLEASE HAVE POSTED ON OUR WEBPAGE:

First of three public meetings regarding school review will take place in the Gym at BJSHS on February 2nd at 6:30 p.m.

- Minutes from second SOC meeting will be approved and posted on Thursday night (January 21st)

2. First meeting talked about the process and what would be happening.
3. Everything happens in camera and committee members are not permitted to discuss what is happening until it is published publicly.
4. SOC members were told that they did not need to be present at the first public meeting - however, chairs were provided for them to sit at the head table at the front of the gym. SOC members were told that only facilitator and co-chairs would be present and would be discussing the process - not options. However, publicity for the meeting said that there would be options discussed.
5. Representation on committee does not include people with a background in education other than the facilitator.
